## Study Scholarships for Graduates of All Disciplines

This scholarship programme offers you the opportunity to continue your academic education in Germany with a postgraduate course of study

- **Who can apply?**  
Excellent-qualified graduates who have completed a first degree (Bachelor, Diplom or comparable academic degree). For applicants from artistic disciplines and the field of architecture, the DAAD offers subject-specific scholarship programmes.
- **What can be funded?**  
Participation in a postgraduate programme or study periods in Germany as part of a postgraduate or Master's degree completed in a foreign country
- **Duration of the funding:**  
between 10 and 24 months depending on the length of the chosen study programme

Deutscher Akademischer Austauschdienst  
German Academic Exchange Service

## Research Grants – Bi-nationally Supervised Doctoral Degrees

The aim of this programme is to promote doctoral degrees at the home university with integrated research phases in Germany. The doctoral degrees are supervised both by a university teacher at the home university and an academic adviser at the host institute in Germany ("sandwich model"). Based on this flexible, multi-phase funding system, doctoral candidates start their doctoral degree in their home country but subsequently spend research periods in Germany. The doctorate is completed in the home country under the supervision of the German academic adviser.

- **Who can apply?**

Excellently-qualified doctoral candidates and young academics and scientists who have completed a Master's degree or Diplom, or in exceptional cases a Bachelor's degree at the latest by the time they begin their grant-supported research

- **What can be funded?**

Research phases at a state or state-recognised institution of higher education or a non-university research institute in Germany as part of a doctoral programme in the home country: the proposal must be coordinated with the academic advisers at the home university and in Germany.

- **Duration of the funding**  
a maximum of 24 months

## DAAD Research Grants - Doctoral Programmes in Germany

DAAD research grants provide foreign doctoral candidates and young academics and scientists with an opportunity to carry out research and continue their education in Germany. There are funding programmes for various qualification phases and stages in a career. The grants also promote the exchange of experience and networking amongst colleagues.

The primary aim of this programme is to promote doctoral projects.

- **Who can apply?**

Excellently-qualified doctoral candidates and young academics and scientists who have completed a Master's degree or Diplom, or in exceptional cases a Bachelor's degree at the latest by the time they begin their grant-supported research.

- **What can be funded?**

Doctoral programmes at a state or state-recognised institution of higher education or a non-university research institute in Germany: individual projects or participation in a structured doctoral study programme

- **Duration of the funding**  
a maximum of four years

# Funding opportunities for doctoral candidates and young academics and scientists

## DAAD Research Grants – short-term and one year grants

DAAD research grants provide foreign doctoral candidates and young academics and scientists with an opportunity to carry out research and continue their education in Germany. There are funding programmes for various qualification phases and stages in a career. The grants also promote the exchange of experience and networking amongst colleagues.

The primary aim of this programme is to promote research projects within the context of doctoral programmes, or those who have already completed a PhD (postdocs).

- **Who can apply?**

Excellent-qualified doctoral candidates and young academics and scientists who have completed a Master's degree or Diplom, or in exceptional cases a Bachelor's degree at the latest by the time they begin their grant-supported research, or those who have already completed a PhD (postdocs).

- **What can be funded?**

A research project or course of continuing education at a state or state-recognised institution of higher education in Germany or a non-university research institute, which is being carried out in coordination with an academic adviser in Germany.

- **Duration of the funding**

1 month to usually 10 months

## DLR/DAAD Research-Fellowship-Programme

- **DLR-DAAD Research Fellowships**“ is a programme implemented by the 'German Aerospace Center' (DLR) and the 'German Academic Exchange Service' (DAAD). DLR is Germany's national research center for aeronautics and space. Its extensive research and development work in Aeronautics, Space, Transportation and Energy is integrated into national and international cooperative ventures.
- **Who can apply?**  
This special programme is intended for highly-qualified foreign doctoral and postdoctoral students as well as senior scientists. DLR-DAAD Fellowships are defined and awarded on an individual basis. Each fellowship announcement will indicate the specific qualification requirements and terms of visit.
- **What can be funded?**  
The current offers are published under [DLR-DAAD Fellowships - Current offers](#) on the homepages of the DAAD and the DLR in the research fields: Aeronautics / Space / Transportation / Energy
- **Duration of the funding**  
Type A - Doctoral Students: 36 months / Type B - Postdoctoral Students: 6 to 24 months / Type C - Senior Scientists: 1 to 3 months
- **Value**  
Doctoral Students (Doctorate in Germany): monthly instalment of 1,365 Euros (plus allowance for materials of 102 Euros); e.g. flat-rate travel allowance, health insurance, family allowances  
Postdoctoral Students (Research in Germany): 2,000 Euros per month  
Senior Scientists (Research in Germany): 2,300 Euros per month

DAAD Japan - ドイツ学術交流会 published by Daad Tokyo Kant (7) · March 2 ·

《ドイツからの教員》  
「こんにちは、ケルンに留学中のあゆみです。今週はこちら、ケルンのカーニバル！カーニバルは春の到来を祝う風習として、古くからドイツに根付いているお祭り。私はホームステイのパパとママたちと一緒に参加しました。街中はカラフルなコスチュームを身につけた人がたくさん！パレードではお菓子やお花を配ってくれます。子供だけではなく、大人が本気で楽しんでいるのが素敵でした！」

Ayumi konnte in ihrem Studienort Köln in dieser Woche den berühmten Karneval erleben! Sie hat sich zusammen mit ihren Gasteltern ins bunte Getümmel gestürzt. Bei all den farbenfrohen Kostümen, Süßigkeiten und Blumen, die beim Festumzug verteilt wurden, hat Ayumi am meisten beeindruckt, dass nicht nur Kinder, sondern auch Erwachsene großen Spaß hatten und ausgelassen gefeiert haben!
