

Curriculum Vitae

Professor Dr. Franz Pfeiffer

Born 25th of November 1972 in Kösching, Germany, married, two children

Education

1993 – 1999	Student at the Ludwig-Maximilians-University, Munich, Diploma thesis X-ray and neutron waveguides at the ILL, Grenoble
1999	Diploma in Physics (very good, 1.1)
2000 – 2002	Ph.D. thesis X-ray and neutron waveguides at the Center of Nanoscience (Munich), the Institut Laue-Langevin (Grenoble), and the University of Saarbrücken, Supervisor: Prof. Dr. Tim Salditt
2002	Ph.D. in Physics (summa cum laude)

Professional Career

2003	Visiting scientist (6 months) at the University of Illinois, Urbana-Champaign, USA
2003 – 2005	Scientist (tenure track) at the Paul Scherrer Institut, Switzerland, Research and design of a beamline for coherent x-ray scattering
2005 – 2007	Group leader (tenured) at the Paul Scherrer Institut, Switzerland, Research and scientific coordination of the coherent x-ray scattering group
2007 – 2008	Assistant Professor for Physics (tenure track), Ecole Polytechnique Fédérale de Lausanne & Paul Scherrer Institut, Switzerland
2008 – 2009	Associate Professor for Physics (tenured), Ecole Polytechnique Fédérale de Lausanne & Paul Scherrer Institut, Switzerland
Since 2009	Full Professor (Chair for Biomedical Physics), Technical University Munich, Germany

Awards

2003	Dr. Eduard-Martin-Award (Ph.D.) from the University of Saarbrücken
2008	National Latsis Award of Switzerland
2009	ERC Starting Grant Award
2010	Röntgen-Price of the University of Giessen
2011	Gottfried Wilhelm-Leibniz Award
