

Curriculum Vitae

Dr. Christoph Kirchlechner

Date of Birth 28 December 1982, Austria
Marital Status married, 2 children

Appointments and Visits

since March 2013 Group Leader
Max-Planck-Institut für Eisenforschung GmbH, Düsseldorf
Nano- and Micromechanics of Materials

since September 2012 Assistant Professor (on leave since March 2013)
University of Leoben

August 2015–
September 2015 Visiting Scientist (Group of Prof. George M. Pharr)
Oak Ridge National Laboratory, Oak Ridge, USA, and
University of Tennessee in Knoxville, USA

June 2011–August 2012 Scientist (Postdoc)
University of Leoben

September 2008–
May 2011 PhD Student
Erich Schmid Institute for Material Science, Austrian Academy
of Sciences (Leoben)

Awards and Honors

23.01.2012 „*Promotio sub auspiciis praesidentis rei publicae*“
President of Austria, Dr. Heinz Fischer

22.11.2011 Würdigungspreise für Wissenschaft und Forschung
Ministry of Science and Technology, Austria

30.07.2010 Best Poster Award, GRC
Prof. Dr. Oliver Kraft, Prof. Dr. George Pharr

03.04.2009 ASMET-Preis, Best Austrian Master Thesis in Materials
ASMET, Dr. Heimo Jäger

27.06.2008	Rektor-Platzer-Ring Rektor Prof. Dr. Wegscheider
16.12.2005	BACA-Sprintstipendium BACA Leoben

Invited Talks and Publications

- more than 55 publications in peer-reviewed journals, including 16 in Acta Materialia as main journal of this field
- 40 invited talks and keynote talks, including invited talks at the two leading conferences in the field (Gordon Research Conference (GRC) Thin Film and Smallscale Mechanics, ECI Nanomechanical Testing)
