At the University of Göttingen - Public Law Foundation, Mathematisches Institut, there are eight positions as PhD candidate/Doctoral researcher (all genders welcome) Entgeltgruppe 13 TV-L / 75 % to be filled. Starting date is 01.10.2022. The positions are limited for three years. The salary is in accordance with the German public service salary scale (TV-L 13). 75 % of a full position correspond to 29,85 working hours per week.

The positions are advertised as part of the Research Training Group 2491 "Fourier Analysis and Spectral Theory" at the Georg-August University of Göttingen.

Your profile

• Master degree in mathematics or equivalent
• Research focus with an analytical profile in one of the areas number theory, geometry, non-commutative geometry, topology, analysis of partial differential equations, mathematical physics
• Language proficiency in English or German

These posts are designed to serve in fostering young researchers. It gives the successful applicants the opportunity to obtain a doctoral degree. The position is suitable for part-time employment.

The University of Göttingen is an equal opportunities employer and places particular emphasis on fostering career opportunities for women. Qualified women are therefore strongly encouraged to apply in fields in which they are underrepresented. The university has committed itself to being a family-friendly institution and supports their employees in balancing work and family life. The mission of the University is to employ a greater number of severely disabled persons. Applications from severely disabled persons with equivalent qualifications will be given preference.

Only in special cases, you may send your application directly to Georg-August-Universität Göttingen, Mathematisches Institut, Bunsenstraße 3-5, 37073 Göttingen, e-mail: linda.cassel@mathematik.uni-goettingen.de.

For further information, you can contact the speaker of the RTG, Prof. Dr. Thomas Schick, e-mail: thomas.schick@mathematik.uni-goettingen.de.

Please upload your application in one document including the usual documents until 11.04.2022 on the application portal of the university using this link http://obp.uni-goettingen.de/de-de/OBF/Index/71526.

For more information get in touch with Frau Cassel directly via E-Mail: linda.cassel@mathematik.uni-goettingen.de, Tel. +49 551 3927752

Please note:
With submission of your application, you accept the processing of your applicant data in terms of data-protection law. Further information on the legal basis and data usage is provided in the Information General Data Protection Regulation (GDPR).
