NFDI General Compliance Form

Name of the Consortium

This form must be signed by the heads of each co-applicant institution as well as all co-spokespersons.

We herewith certify that we have submitted this proposal to the Deutsche Forschungsgemeinschaft and that the information provided therein is accurate.

The co-applicant institution confirms that all persons participating in the consortium from this institution agree to adhere to the DFG's rules of good scientific practice. The DFG's Rules of Procedure for Dealing with Scientific Misconduct (Verfahrensordnung zum Umgang mit wissenschaftlichem Fehlverhalten – VerfOwF) apply to individuals with a high level of scientific responsibility in funding proposals submitted to the DFG by higher education institutions and non-university institutions. In signing this compliance form, the co-applicant institution and the co-spokespersons of the proposed consortium acknowledge and recognise as legally binding the aforementioned DFG Rules of Procedure. If, during the course of the funding period, the co-spokesperson changes, please note that the new person must sign a declaration of obligation of compliance, which must be forwarded to the DFG upon request in accordance with its Rules of Procedure.

The co-applicant institution agrees to the DFG's electronic processing and storage of data provided in conjunction with this proposal. It further agrees to this information being used for evaluation and statistical purposes and forwarded to reviewers and decision-making bodies – which may involve a third country – as part of the review and decision-making process.

The co-applicant institution ensures that all individuals listed in the proposal agree to this and to the forwarding of the final funding decisions to the head of the institution and the co-spokespersons.

We agree that, if the proposal is approved, our work addresses and contact details (name, institution and location, phone, fax, e-mail and website) as well as information about the content of the project (e.g. topic, summary, keywords, subject area, programme, funding period, international connections) will be published in the GEPRIS information system and may

be published in other, non-commercial publications and databases created in cooperation with the DFG. We understand that we may withdraw our consent to full/partial publication at any time without affecting the lawfulness of any processing carried out prior to our withdrawal by notifying the responsible DFG contact, preferably in electronic form.
