ERA-CAPS Third Transnational Call for Proposals

"Europe-USA Call strengthening transnational research in the Molecular Plant Sciences"

The ERA-NET Coordinating Action in Plant Sciences (ERA-CAPS) issued its third Transnational Call for Proposals for Collaborative Research Projects on **June 23rd 2016**.

The Call Notice has been published at www.eracaps.org and through relevant sources of information.

The following agencies have confirmed their participation in the call:

FWF (Austria)*	**MPNTR (Serbia)***
F.R.S.-FNRS (Belgium - FWB)	**SNSF (Switzerland)**
ANR (France)*	**BBSRC (U.K.)***
DFG (Germany)*	**NSF (USA)***
NCN (Poland)*	*** indicates participation in data sub-call**

ERA-CAPS Third Transnational Call for Proposals: key information

- Main Call Theme: All areas of molecular plant science
- Sub-Call Theme: Addressing Data Challenges in Plant Sciences
- Consortium composition: Min. of 3 partners from 3 different countries
- Call launch pre-proposals: 23 June 2016
- Call closure pre-proposals: 28 September 2016
- Call launch full proposals: 7 January 2017
- Call closure full proposals: 31 March 2017
- Results expected: Autumn 2017
- Start selected research projects: Spring 2018
