

Joint controller organisations with the DFG / information about the key contents of the joint controller agreement				
Description of the international funding activity	Joint controller organisation (organisation/address/country)	Processing activities which take place under joint controllership	Exercise the rights of the data subjects	Exercise the information duties (Articles 13 and 14 GDPR)
AHRC-DFG Cooperation in the Humanities	UK Research and Innovation (UKRI) Polaris House, North Star Avenue, SN2 1FL, Swindon, Großbritannien	Administration of the receipt of the proposal, carrying out the peer review process, evaluation of the proposals submitted, evaluation of the project reports.	All joint controllers are responsible for this. In individual cases, responsibility lies with the controller from whose sphere and/or catchment area the data subject originates ¹ .	All joint controllers are responsible for this. In individual cases, the controller from whose sphere and/or catchment area the data subject originates will be responsible for the provision of information to the data subject ² .
Trilaterale Forschungs-konferenzen "Villa Vigoni"	Fondation Maison des Sciences de l'Homme (FMSh) 54 Boulevard Raspail, 75006 Paris, Frankreich Villa Vigoni Centro Italo-Tedesco per l'Eccellenza Europea Deutsch-Italienisches Zentrum für Europäische Exzellenz Via Giulio Vigoni 1, 22017 Loveno di Menaggio (CO), Italien	Administration of the receipt of the proposal, carrying out the review process, evaluation of the proposals submitted and taking decisions in relation to these.	All joint controllers are responsible for this. In individual cases, responsibility lies with the controller from whose sphere and/or catchment area the data subject originates ¹ .	All joint controllers are responsible for this. In individual cases, the controller from whose sphere and/or catchment area the data subject originates will be responsible for the provision of information to the data subject ² .
Trilateral French-Japanese-German Research Projects on Artificial Intelligence	French National Research Agency (ANR) Avenue Daumesnil 50 75012 Paris, Frankreich Japan Science and Technology Agency (JST) 4-1-8 Honcho Kawaguchi-shi Saitama 332-0012, Japan	Exchange of personal data of the applicants, carrying out the review process and exchange of the contact data of the reviewers and the content of the reviews.	All joint controllers are responsible for this. In individual cases, responsibility lies with the controller from whose sphere and/or catchment area the data subject originates ¹ .	All joint controllers are responsible for this. In individual cases, the controller from whose sphere and/or catchment area the data subject originates will be responsible for the provision of information to the data subject ² .
Polish-German Research Projects "Beethoven CLASSIC 3"	National Science Centre (NCN) ul. Twardowskiego 16 30-312 Kraków, Polen	Administration of the receipt of proposals, carrying out the review process, evaluation of the proposals submitted and taking decisions in relation to these, finance and accounting, evaluation of the project reports.	All joint controllers are responsible for this. In individual cases, responsibility lies with the controller from whose sphere and/or catchment area the data subject originates ¹ .	All joint controllers are responsible for this. In individual cases, the controller from whose sphere and/or catchment area the data subject originates will be responsible for the provision of information to the data subject ² .
Copernicus-Preis	The Foundation for Polish Science (FNP) ul.Krasickiego 20/22 02-611 Warsaw, Polen	Administration of the receipt of proposals, carrying out the review process, evaluation of the proposals submitted and taking decisions in relation to these, organisation of the award ceremony, publication of the award winners.	All joint controllers are responsible for this. In individual cases, responsibility lies with the controller from whose sphere and/or catchment area the data subject originates ¹ .	All joint controllers are responsible for this. In individual cases, the controller from whose sphere and/or catchment area the data subject originates will be responsible for the provision of information to the data subject ² .
