

## Cross-board Section: Long-Term Projects in the Humanities and Social Sciences

### 2020-2024 Membership Period

This section evaluates (usually twice a year) all new proposals for the funding of long-term projects based on an expert review and taking into account the specific evaluation criteria that apply in this case. One person and, as a rule, one deputy have been elected to the section from each of the humanities and social sciences review boards.

The representatives (Re) and deputies (De) are listed below.
