

**Review Board 307 “Condensed Matter Physics”**

**Review Board 308 “Optics, Quantum Optics and Physics of Atoms, Molecules and Plasmas”**

**Review Board 309 “Particles, Nuclei and Fields”**

**Review Board 310 “Statistical Physics, Soft Matter, Biological Physics, Nonlinear Dynamics”**

**Review Board 311 “Astrophysics and Astronomy”**

### **2020-2024 Membership Period**

#### **Emmy Noether Physics Panel**

The Emmy Noether Physics Panel, which spans multiple review boards, evaluates proposals to the Emmy Noether Programme on the subjects covered by the review boards listed above.

For each meeting, 8 to 10 members of review boards 307, 308, 309, 310 and 311 are selected, taking into account availability and conflicts of interest.
