

Obligations in the Event of the Use of AI Systems as a Reviewer or Member of a DFG Statutory Body

Disclaimer: The English translation of this document is provided for informational purposes. In the event of a discrepancy between the English and the German versions, the German text takes precedence.

The DFG permits the use of AI systems to a limited extent in connection with the preparation of reviews and in the context of further evaluation and decision-making. If you intend to use AI systems as a reviewer or member of a DFG statutory body, please note the following:

1. You are required to observe and comply with the DFG [Guideline on the Use of Artificial Intelligence in the Review Process](#).
2. You confirm that you have the necessary [AI literacy](#).
3. If you use an AI system that is not exclusively hosted locally at your university or research institution, ensure that a data processing agreement is concluded with the provider of the AI system as part of the licensing process.
